Get Vimeo API key pair

Step 1: Open this page <u>https://vimeo.com/</u> and log in with your Vimeo account.

Then navigate to Vimeo Developer page <u>https://developer.vimeo.com/</u> and click on "**New app**" button.

Step 2:

- Enter app name and app description.
- Select "Yes. Other Vimeo accounts besides my own will be able to access the app" option.
- Agree with API License Agreement and Terms of Service.
- Click on "Create app" button.
